# Hi There

Okay, so it's winter, right? Where's the snow!? I remember back in the old days when you could just say, "Hey... snow, okay" and it would. Well, it was a little more complex than that, but that's the general gist of it. Nowadays, you have to cut open a bean bag if you want to see snow. I guess you could also shake your head really hard; some people can make snow that way.

I knew a guy once that had so much dandruff... "how much", you ask? He had so much dandruff that when he sat around the house, he sat around the house.

In a sense, snow is like wrestling. By the way, this is where I philosophize, so you

# A Warm Welcome From the Editor

may want to turn the page now. Anyway, snow is kind of like wrestling; or is it wrestling is kind of like snow. I can't remember. I hate it when I can't remember which way things go.

I liked that episode of Cheers where Cliff was going out with that red-head, and he said, "We'll be having Ritz service at the room... I mean Ritz service at the room, can you believe I said Ritz service at the room? What I meant to say was uuuhh Ritz service at the room". That was some funny stuff. Cliff was my favorite character on that show. Too bad it's not on anymore.

Anyway, like I was saying, snow is like wrestling... no, no it's not... sorry.

# Wzap-Up: ROYAL RUMBLE

Contrary to what a lot of people have said, this event was very, very good. There was plenty of action, plenty of excitement, and plenty of babe. Yes, babe. Pamela Anderson was there and boy oh boy did she look good. You could even see through that white dress of hers (sort of).

Alrighty then, the matches:

## ***1-2-3 KID AND SPARKY PLUGG VS TATANKA AND BAM BAM BIGELOW TAG TEAM CHAMPIONSHIP***

This was a nice little match. You would think that two little pipsqueaks like the Kid and Sparky would have been manhandled; but it was Bam Bam that was taken care of. **Rating: B**

## ***THE UNDERTAKER VS IRS***

Stupid. I was bored. It would have been worth watching if the Druids were unmasked. But, the

weren't. **Rating: C-**

## ***RAZOR RAMON VS JEFF JARRETT IC CHAMPIONSHIP***

Very, very good match. Wow wee. Words fail me. A must see. I'm hoping that Brian Arms, er, I mean "the roadie" will be doing something soon. I want to hear Double J's song. He's probably a very good singer. I wonder if the whole singing thing is just a hoax. I sure hope not. Razor needs to be a "Bad" guy again and really needs to do something different with the way he wrestles, like learn a new move, or at least do them in a different order.

**Rating: A-**

## ***DIESEL VS BRET HART WORLD CHAMPIONSHIP***

One of the best matches ever. Diesel kept going and going (so did Bret). Diesel was just about to

win with the Jackknife (Bret was just about to win with the Sharpshooter), then Shawn interfered and broke the pin (then Own interfered and broke the hold). After that, everyone from the back came out and pounded on both Diesel and Bret, then the ref called it a draw. Super duper contest. I liked it. **Rating: A+**. Then Diesel and Bret hugged. Diesel should have jackknifed him again. **Aftermath Rating: F**

## ***ROYAL RUMBLE***

One word: Shawn Michaels is the greatest wrestler ever. Shawn was the first person in and the last out. Other good showings were: The Davey Boy Smith, Bob Backlund (all 30 some-odd seconds) and some others, I can't remember them all. **Rating: A**

# Rumors

***Rumors have to start somewhere, so we thought we would let you in on what we've been hearing in the wrestling world. Remember, these are legitimate rumors, as far fetched as some may seem.***

Chris Candido is going to the WWF with a Mighty Mouse gimmick.

Hogan is asking Ric Flair to step back into the ring and team with him to get rid of Vader.

Buzzsaw and Kane of Power & Precision are going to the WWF and will be called Spanky and Pogo, second cousins of the Bushwhackers.

Chet Waple may not be dead!

IRS's Druids: Sid Vicious, Chris Candido, Jake Roberts, and Bill Waple.

Dusty Wolf has signed with WCW and he will be more than a jobber; he will be feuding with Johnny B. Badd.

The word is that Shawn Michaels' new bodyguard

will be either Brian Lee or Bam Bam Bigelow. Larz Wapleton has even applied

Kenny Arden, the *Fat-Away* Guy of the NGWA, is planning to really publish his book "Get Skinny With Kenny", and hire a well-known publishing company to do it.

Sting will turn bad. Boy, I sure hope this one is true. He's a wuss nowadays.

Harvey Wapleman, Financial Advisor of the WWB, may have a woman. (Yeah, this even made *us* give a double-take).

The WWF will hire the Ultimate Warrior. He will go back to the name "The Dingo Warrior".

Macho Man Randy Savage will turn. Hopefully, he will be cool again.

Lex is leaving the WWF for WCW perhaps?

Hogan may be going back to the WWF. Do you think he will be able to fill Lex's shoes?

Biff Waple to get a title shot, but will refuse unless his brothers can help.

# LARZ LAND

## Views from the Bodyguard

by Larz Wapleton

It is time once again for me to travel to that place in the back of my mind that I like to call... Larz Land.... Certainly the biggest thing on everyone's mind is the recent WWF Royal Rumble. (Ed. See our review on page 3.) This was certainly a step above recent WWF PPV's, but it was a disappointment as far as Royal Rumbles go. I'm not going to gripe about the event in this column, but I am going to offer my suggestion as to how it could have been more entertaining. Let me start with the Rumble itself: it was too short and at times was boring. This wouldn't have happened if they could have done three simple things. The first thing would be to eliminate the entire Undertaker/ IRS match. This would not only allow these two talented wrestlers to be in the Rumble, but it would give more time for the Rumble. (Two minutes apart please!!!) Second, Bam Bam and Tatanka should have wrestled twice that night. Then Lex and Tatanka could have met during the Rumble, and Bam Bam would have been booed much more by the fans when it was his turn to come out to the ring. (Remember, last year Bret Hart wrestled twice and was a co-winner of the Rumble.) Third, Backlund and Owen were eliminated way too quickly. Now, because wrestling isn't fake, I know that the WWF officials had no control over this, but since these two guys are also two of the biggest heels in

this federation, it would have been great to have seen them last longer. Aside from my constructive criticism, I would say this was a good event, and hopefully a sign of a great year for the WWF.... HOGAN VS. FLAIR!!! Hardcore Heaven! The match we all have been waiting forever to see! See it at Superbrawl V!! Wait, I'm sorry. HOGAN VS. VADER!!! Hardcore Heaven! The match, well, you know the rest. I really am interested in this match, but only to see how Hogan gets a clean leg drop on Vader. I'm pretty sure that Macho Man will turn on the Hulkster at the end of the match, but I'd rather see another good guy turn on Hogan: Sting. I think the hardcores would love to see an evil Sting wrestle old man Hogan.... Speaking of old men, am I the only one who is tired of seeing all these old dinosaurs in the ring? These guys were great in their prime, but I think it's time to move these guys into management and booking positions. Come on, decision makers, let the young guys show you what they can really do.... Joe and Bonnie, I miss you and all the wonderful programming you brought to my television set on Saturday afternoons. I, along with the other Waples, hope to see you back on the air real soon. Oh yeah, and Bonnie needs to wear a bikini top EVERY WEEK!!.... Are the Heavenly Bodies back to stay in SMW??? I certainly hope so. I think their recent match against the Gangstas at Super Saturday Night Fever in Knoxville was, uh, very

painful looking. I hope these two teams enter the squared circle at the Cobb Civic Center real soon.... The NWA out in Texas is really starting to get interesting. Okay, I admit, it's only gotten interesting since the stars of SMW have gotten involved. And Raw Head Rex, one of our friends from Calhoun, showed up in a NWA match recently. In case any of you were wondering, he still is a dork.... Shawn Michaels is ready to announce a new bodyguard, and the name that keeps popping up is Prime Time Deion Sanders. Brian Lee is also said to have a shot.... And Bill Waple has thawed out and rejoined the Wonderful Waple Brothers. Some wrestlers become a "house of fire" when they get tagged in; so is Bill, only he becomes a little green Monopoly "house of fire".... That's all for this month. I'll see you... at the movies. LARZ

## All Bow and Pay Homage To:

## Joe Pedicino & Bonnie Blackstone

For the past 10 years, Atlanta has been able to watch miles and miles of great wrestling action right in their very homes due to an invention called the BoobTube. I can't remember the name of the person who invented it; it was something Boob.

Since then, there was a man... a man with a vision. This man wanted the world<sup>1</sup> to be able to enjoy

hours and hours of man's greatest sport, Professional Wrestling. This man, this great visionary was known as simply, Joe.

Since that fateful day some ten years ago, Joe's instrument of enjoyment, *The Wrestling Machine*, has been giving people throughout the land happiness and joy. The addition of his lovely wife, Bonnie, has made the show even more

entertaining.

Now, the fourth day of the second month in the 1995th year of our lord, will be a day to remember forever, for that marks the end of the Wrestling Machine. Joe and Bonnie, we salute you.

<sup>1</sup>the Metro Atlanta area was considered the world in those days, for this was before the world was found to be non-flat

An Extra Nifty Interview with:

# Power & Precision

**WW:** So, you guys are Power and Precision, huh. We finally meet. Why haven't we met

before? Are you afraid if the Wonderful Waple Brothers?

**Buzz:** I tend not to recognize many people under 235 lbs.

**Kane:** Except for me.

**WW:** How long have you been together as a tag team?

**Kane:** I'd say about 8 or 9 months.

**WW:** Have you won any matches?

**Buzz:** Several hundred.

---

*"I tend not to recognize people under 235 lbs."*

---

**WW:** How successful do you feel this team is compared to the other teams you've been in?

**Kane:** I think it's a lot better. I've got a bigger partner, better ability, whereas my last partner had too much of an ego. He tried to outshine not only me, but all other wrestlers.

**Buzz:** I would call us more of a team, rather than two single wrestlers.

We are the ultimate tag team.

The last greatest tag team of all time.

**WW:** Which rapper do you like more: M.C. Hammer

or Vanilla Ice?

**Buzz:** Vanilla Ice because he's totally disappeared from the face of the earth.

**Kane:** Hammer did change his name, though.

**WW:** How do you feel about being in the North Georgia Wrestling Alliance as opposed to the independent promotions you've been in?

**Buzz:** We've dominated the independent circuit. North Georgia's another step up on the ladder of success for P&P. It's just a matter of time before we get to the top and start throwing all the other boys down.

**Kane:** The tag team competition's a little more stiff in North Georgia. In the independents, we were the competition, but in North Georgia you've got the Tennessee Bad Boys, the Nasty Critters, and now the Harley Davidson Crew, so it's a battle for respect, now.

**WW:** Speaking of the Bad Boys, how do you feel about them turning from the dark side of evil and treachery to the side of good and righteousness? Has it changed the way you feel about them?

**Buzz:** Whether they're righteous or not, they're turning fan favorites just gives us another team to sling around in the ring.

**WW:** What do you like in your omlets?

**Kane:** Cheese is a given.

**Buzz:** Eggs.

**WW:** So, what are your favorite wrestling moves?

**Kane:** There's of course the Near Death Experience, our feared finishing maneuver. I also like the Side Russian Legsweep.

**Buzz:** I like the thing where I throw them straight over the back of my head.

**WW:** How do you say this word: Q-U-E-S-O?

**Kane:** Queso.

**Buzz:** I like that in my omlets, too.

**WW:** What?

---

*"Cheese is a given"*

---

**Buzz:** Queso.

**WW:** Oh. Right now, who is your worst enemy?

**Kane:** The Nasty Critters seem to be recidivous. They show up more often in our stream of battles.

**WW:** Can you spell that?

**Buzz:** I'd like to see that myself.

They [Critters] really know their wrestling. They're just slipper little guys, and of course they have Danny Dees on the outside with that shocker.

**Kane:** Now, if we were to eliminate Danny Dees, their communication factor would be nil, considering they can't speak.

**WW:** Okay, wow, yeah, uh huh, well I'm sufficiently bored now. Thanks for the interview Cower & Perversion. Hey, sit down guys! It was just a joke! Ow! Stop! Wha- What are you doing?! ... OW!!! *(Passes out)*

# Match Ratings

A scale from one to ten	Wally "Walla" Waplestaph	Bob	Chris
<b>Diesel vs Bret Hart (Royal Rumble '95)</b>	6 It was a disappointment because there was a lot of interfering.	10 In the style of Gorilla Monsoon: This jam packed arena is on its feet! Excitement personified! How the kid got out of that one, I'll never know. The ref's lost all control of this one! Wow.	8 An excellent match. The outside interference was enjoyable, and the new Bret Hart was very exciting to watch. The only negative: Bret and Diesel hugging at the end of the match.
<b>Heavenly Bodies vs The Gangstas (Smoky Mountain)</b>	8 This was a great match because it was a bloody match from hell!	10 In the dry, emotionless siyle of Gordon Solie: ...and what what promised to be a great match has tured into a Pier 6 brawl. We need to get some order restored. Let's go to commercial so we can't see it.	10 The best matches always seem to be live or on PPV. Cornette and the Bodies really took it to the Gangstas, and hopefully this is the start of a classic tag team feud.
<b>Sting vs Avalanche with the Guardian Angel as Referee (WCW Clash of the Champions)</b>	9 The match was good, but it got better when the Guardian Angel went back to himself as Big Bubba Rodgers.	4 In the style of Bobby Heenan: I didn't see it I was talkng to Ric when it hap-pened. Guardian Angelmania is DEAD. I knew it all along. I hope Hulk Hogan's watching, cause he's next!	7 The Sting / Avalanche feud has grown tiresome, but this match was very promising because Big Bubba resurfaced, and Sting is one step closer to turning into a bad guy.

The other semi-finals match, between Billy Ray and Mike Jackson, who is a former Alabama Jr. Heavyweight Champion, will determine who meets Strong for the belt. By the time you're reading the next issue of WAPLEworld, there will be a new Light Heavyweight Champion in North Georgia wrestling. Stay tuned.... Kenny Arden announced a new phone number to call to order his book, video, and fat-away spray: 1-800-SKINNEY Don't bother calling; the merchandise has sold out so the number had to be disconnected.... Mike Golden has become the resident barber in Rome, cutting Uncle Sammy Kent's ponytail off and almost cutting Blade's hair at the end of a recent match. However, Sammy promised that he has a mystery opponent for Golden in the Hair vs. Hair steel cage match coming up on March 5. He will announce the name of this man next week on television. Who could it be?....

As you may remember, last August Bill Waple was put in a sleeper hold and Biff and Chic didn't know how to wake him up so they had him cryogenically frozen until they found out how. Unbeknownst to Biff or the rest of the Waple Family, Chic had hired the services of the well known scientist, Albert Einplestein, to try and revive Bill.

On Superbowl Sunday, Biff opened the freezer to get a popsicle and saw the frozen block-of- Bill. He pondered for a few minutes and edged closer and closer to the giant cube. Then finally, with lightning-like quickness, he stuck his tongue to the ice.

He didn't know what to do so he turned on the oven and opened the door. Bill began to melt. At

DWB has a shot in the coming weeks to win the belt back from Lawler, and if he does, Landell can be sure of getting a title shot... Tracey Smothers and Scott Armstrong have teamed up to become the Wild Eyed Southern Boys, and their first target is none other than former The Gangstas. Dear guys,

My search for mom has led me to the edge of the earth. I broke off a big chunk of it when I stood too close to the edge itself. Some guys are after me because I ate one lousy field of corn. I haven't had queso in a month. It's too hot in the desert. Life isn't fair fox 6 because so many numbers are larger. I haven't had queso in about two minutes. And my feet hurt.

So how are you?! I can't find mom anywhere, and I grow discouraged. I grow. I think I am going to go home and get off this crazy trip. I miss Rio's... I miss queso. I'm depressed and I want my mommy.

Guy's, I'm comin' home.
